SIR,

With reference to your letter No. 4916/Edn.25-14-12 of the 19th May 1915 calling for a report in the matter of the difference observed in the date of birth of H. Samuel, Assistant Master, Village Elementary School, Banavar Arsikere Taluk and subsequent reminder thereon, I have the honour to submit the explanation of the master in original and to state that he reports that the date 19th March 1891 was entered in the service register at the time of his appointment on the authority of his ~~mother~~ mother's statement who is illiterate. But at the time of insurance, a reference was made by him to the Church authorities and on the strength of the baptismal certificate granted to him, 15th July 1889 was given as the correct date of birth to the Insurance Secretary.

In these circumstances I recommend that 15th July 1889 may be taken to be the correct date of birth of the master and permission granted to make the necessary corrections both in the service register and in the Departmental Schedules.

The master's service register is also herewith sent for favour of reference and kind return.

I have the honour to be,
Sir,
